RE: CALLING ON GOVERNOR KATHY HOCHUL AND THE OFFICE OF CANNABIS MANAGEMENT TO TAKE IMMEDIATE ACTION TO STOP THE OPERATION OF UNLICENSED CANNABIS SALES IN NEW YORK STATE – DISTRICT ATTORNEY’S DEPARTMENT

WHEREAS, the Marijuana Regulation and Taxation Act (MRTA), enacted in March 2021, establishes the parameters under which a regulated, safe, and legal cannabis industry might operate in New York State, and provides that any unlicensed sale of cannabis is illegal, and

WHEREAS, MRTA mandates that legal, licensed, and taxed sales can begin only after the state approves regulations governing sales and licenses businesses making such sales, and

WHEREAS, the Office of Cannabis Management (OCM) has transmitted cease and desist letters to various operations/businesses throughout the state alleged to be engaged in unlicensed cannabis sales, or allegedly allowing unlicensed sales to occur upon their properties, and

WHEREAS, in these letters OCM states unlicensed sales undermine the legal market that is being built by introducing products that are not lab-tested and which potentially threaten public health and safety, and

WHEREAS, unlicensed sales are alleged to include the sale of cannabis products in-person at a retail location, online, via delivery, or at an event, and are alleged to include so-called "gifting" wherein consumers purchase non-cannabis items or services, such as a sticker or membership in a club, and then receive a “gift” of cannabis as part of such purchase, and

WHEREAS, local towns and villages have taken the proper procedures to either “opt out” of allowing cannabis dispensaries and/or consumption sites in their jurisdiction or to “opt in” and create land use laws that accommodate the licensed sale of cannabis, all to ensure the community impact is minimal, and, further, it is alleged that these unlicensed cannabis operations are circumventing such local enactments, and

WHEREAS, except as set forth above, all counties, cities, towns and villages are preempted from adopting any law, rule, ordinance or regulation pertaining to the operation or licensure of registered organizations, adult-use cannabis licenses or cannabinoid hemp licenses; state government has, instead, consolidated the adult-use cannabis program with New York State’s existing medical marijuana program and cannabinoid hemp program, placing these consolidated programs under the control of the Cannabis Control Board and the OCM, thereby curtailing the authority of local governments to address this issue and thereby demonstrating the need for strong and immediate state action in this matter.

NOW, THEREFORE, BE IT RESOLVED, that the Schuyler County Legislature calls upon Governor Kathy Hochul and the Office of Cannabis Management to expedite legislation to close any “loop-hole” under which these cannabis operations may be operating unlicensed, and

BE IT FURTHER RESOLVED, that the Schuyler County Legislature calls upon Governor Hochul, the New York State Attorney General and the Office of Cannabis Management to take immediate and firm action to close any such businesses found to be engaged in unlicensed or illegal activity, and

BE IT FURTHER RESOLVED, that the Clerk of the Schuyler County Legislature is hereby directed to forward copies of this resolution to the New York State Governor, the New York Cannabis Control Board Chair, the New York State Attorney General, the New York State Association of Counties, the Inter-County Association of Western New York and all other officials and organizations deemed necessary and appropriate.
